

**Job Ad:**

Inter-Mtn Testing is hiring responsible and motivated technicians to support our Okanagan, BC operations. Open to Canadian residents only and applicants can reference the details below to see if you are the right fit for our team.

Inspection Technicians Responsibilities include, but are not limited to:

- Performing thorough and accurate inspections on scheduled equipment
- Documenting all conditions and completing in-depth and detailed reporting in accordance with applicable regulations and Inter-Mtn Testing's reporting and procedural system
- Managing and maintaining tools and company vehicle
- Engaging in education and certification advancement, by taking courses and achieving relevant certifications to your field.
- Maintaining and supporting client relationships while representing Inter-Mtn Testing as a professional, knowledgeable, and informative technician.

Skill and Attributes for this job:

- Preference for candidates with CGSB or CWB Qualifications, NDE experience, mechanical/maintenance experience, or certifications
- Outstanding written and verbal communication skills
- Must demonstrate a high degree of accuracy and strong attention to detail from start to completion of a job
- Eager learner with the drive to grow personally and professionally
- Communication with a team environment, but able to work alone and with little direction
- Comfortable working at heights and with large industrial equipment
- Valid driver license and be legally able to work in Canada

If you become part of our growing team, you will be entitled to compensation in the following forms:

- Company vehicle provided
- Highly competitive wages with overtime calculated daily
- Employer shared benefits for you and your family including dental and extended health
- Education including paid course tuition and paid time-to-train
- Employer paid professional dues

We value our employees and show that through:

- Paid holidays and sick days
- Annual events including team building activities and parties
- A fun and energetic work environment
- Friendship and trust among co-workers
- Respect and pride from the owners, clients, and coworkers
- Continual opportunity for professional development and career advancement

If you're driven and motivated to be part of a growing, yet well-established company based in Kelowna BC, we would like to hear from you!
